

CARGO SURVEYS

**LLOYD'S AGENT FOR THE
GULF OF MEXICO**

LLOYD'S
Agency

DLS supports a world-wide client base consisting of importers, exporters, insurance companies, brokers, attorneys and financial institutions. Our experienced marine surveyors are well-qualified to evaluate cargo condition and determine the nature cause and extent of damages that occur anywhere in the supply chain.

Our Special Investigations Unit's expertise includes a wide range of industrial and consumer good and commodities, from temperature abuse of seafood to mishandling of high-tech defense electronics. The DLS cargo team prides ourselves on providing resolution through an appropriate course of action including on-site attendance, loss mitigation, loss prevention and subrogation / recovery.
